

Distribution of characteristics

To aid in the interpretability of payroll job estimates, the following data download contains selected distributions of jobholder and employer characteristics by state and territory.

Records with 'unknown' characteristics have been excluded from the calculation of proportions. For more information on the source, impact and proportion of unknowns, see the Updating characteristic variables and Inclusion of unknown characteristics sections of [How data are processed \(/methodologies/weekly-payroll-jobs-and-wages-australia-methodology/week-ending-17-september-2022#how-data-are-processed\)](https://methodologies/weekly-payroll-jobs-and-wages-australia-methodology/week-ending-17-september-2022#how-data-are-processed).

Table 20: Payroll jobs - characteristics distributions

Contains selected distributions of jobholder and employer characteristics.
